ZONA FRANCA

“We are highly aware of Barcelona’s potential as an international logistics hub, and at SIL Barcelona we contribute to this by serving as the meeting point for the sector and a forum for discussion on what is happening around the world and how it impacts the supply chain. To this end, we rely on top-tier international partners who join us in analysing the challenges, but above all the opportunities offered by the new international context”

PERE NAVARRO,

Executive Chairman of CZFB and SIL Barcelona

SIL 2026 IN FIGURES

SIL Barcelona has established itself as the leading sector event where **the latest innovations** transforming the industry are showcased. It is the **only international event that brings together the entire value chain** of the logistics sector. An essential meeting point where **new trends and challenges in the logistics industry are analyzed**, along with the changes driven by the **emergence of technologies** such as Artificial Intelligence (AI), Predictive Analytics, the Internet of Things (IoT), Blockchain, and Big Data, among others.

16th LOGISTICS CIRCLE OF SIL BAROMETER

SIL
Barcelona

In this new edition, SIL has produced the **16th Logistics Circle Barometer 2026**, providing an in-depth analysis of the logistics sector.

More **than 1,000 Spanish logistics or supply chain directors** from various industrial sectors contributed, participating as members of the SIL 2026 Logistics Circle.

The Barometer concludes that:

75% of companies see Artificial Intelligence as an ally to improve their logistics

Rising transport costs are the main logistics challenge faced by **26,4%** of companies.

Sustainability will continue to play a significant role in logistics decision-making according to **92,5%** of respondents.

“With representation from across the entire supply chain, SIL is the sector’s meeting point and, therefore, a forum for discussion where the issues that concern companies, the challenges facing the sector, as well as the opportunities and solutions applied to different scenarios are addressed. During the three days of the event, companies, speakers, and visitors will have the opportunity to share their concerns in open, participatory dialogue spaces”

BLANCA SORIGUÉ,
Chief Executive Officer of CZFB and SIL Barcelona
